Projects

Gate House (Main Gate)

Oct 2019 - Jan 2020 (3 months)

Company: Bahria Town Karachi

<https://www.facebook.com/BahriaTownKarachi/photos/the-size-of-the-gatehouse-is-approximately-280-x-250the-main-highlight-of-the-bu/524264594342314/>

The size of the Gatehouse is approximately 280' x 250'.

The main highlight of the building is the complex structure itself. Upto 80 feet long cantilevered fins, V columns, and the merge of concrete and steel structure.

The 100 feet high obelisk and a 60 feet wide globe monument are also an integral part of the entrance to the housing society with enhanced Security systems + dual verification.
